Chronicle

Hoshiko 雷鳴の山嶺の牙
Descendant of Takemikazuchi
Minor Kami of Strategy, Storms, and Swordsmanship

Hoshiko's avatar is a tall, athletic woman with storm-gray eyes and short purple hair. She typically wears a full set of ō-yoroi armor. Her nodachi, Raikomaru, never leaves her side. She often has a scowl on her face and her voice is loud and gravelly.

Personality: Serious, blunt, militaristic, adheres to hierarchy, an attack dog without a master.

Hobbies: Sparring, board games, drinking sake, meditating under waterfalls.

"Know, of course, thine enemy. But in knowing him, do not forget above all to know thyself. The commander who embraces this totality of battle shall win even with an inferior force."
